

How to Avoid Scams

Tips on how to spot and avoid malicious actors.

Discord

⚠️ PLEASE NOTE: Support staff or admins on the Discord server will never send you private messages first.

No member of the Mintvers team will ever ask you to send them \$ETH, or information about your private keys or seed phrase. Please be wary of scammers and malicious actors that might try to prey on productive communities such as ours.

If you are talking to someone who appears to work for Mintvers on Discord, you can verify that they are an official member of the team by referencing the **the panel of official Mintvers Discord members**.

Official emails from Mintvers,

Formal communication from Mintvers will only arrive by email. All official emails from Mintvers team will end in @mintvers.com – no exceptions.
